Black Warrior River
Flow
↓

The map shows a peninsula-like area with a dashed boundary. On the left, the Black Warrior River flows downwards. The peninsula contains several facilities marked with icons: a Boat Launching Ramp, Fishing area, Restrooms, Parking (P), Picnic Area (A), and Non-Potable Water source. A brown line indicates an Un-Paved path or area. A 'Slope' is labeled with an arrow pointing to a specific area. A road or path runs along the right side of the peninsula, ending in a T-junction.
